

Indigenous Gin Tasting

Musgrave Pink – Cape Town

An aromatic gin with exotic notes reflecting the spice route of Africa - 12 botanicals
Musgrave pink gin celebrates the flower of love & beauty with the source of the rose, rosehip, which compliments Musgrave's spicy nature. It is infused with rose water for its timeless perfume & romance

Tonic water, cardamon & lemon thyme

Inverroche Verdant - Still Bay

Infused with a bouquet of fynbos, hand-selected from the mountainous rocky terrain along the Southern African coast. Delicate floral aromas reminiscent of elderflower & chamomile, lead to summer blooms, a touch of spice, subtle juniper, zesty lemon rind & alluring liquorice

Pink tonic, lemon zest & star anise

Autograph – Stellenbosch

Autograph's inspiration & identity lies in the rich, colourful history of a thousand years of gin making. Autograph is the embodiment of this timeless tradition encapsulating years of passion, inspiration & discovery. On the nose

- juniper, wild rosemary, confetti bush, African wormwood & citrus buchu

Pink Tonic, rosemary & orange peel

Six Dogs Blue – Robertson

The infusion of blue pea gives the gin its striking colour. Pelargonium & other botanicals used in this gin are grown & harvested on the De Wets farm. The colour is entirely natural & will fade over time

Tonic water, pelargonium & ice
