Red Wine

Cabernet Sauvignon

The classic profile of this cultivar is known to be full bodied with high tannins & noticeable acidity which makes the aging potential superb. The most widely planted red wine grape in South Africa; Stellenbosch's Cabernet Sauvignons are heavier & fuller bodied while Constantia's Cabernet Sauvignon wines are characterized by their herbal & minty flavours. The bold, assertive characteristics tend to overwhelm lighter, delicate dishes. Grilled & charred dishes pair well, as well as buttery sauces which neutralize the tannins & open the wines fruity flavours.

The Hills - Devon Valley 2014 - Hints of cedar & cigar box, French oak	R312
De Meye - Stellenbosch 2020 - Soft tannin, mocha & dark cherry	R384
Middelvlei - Devon Valley 2022 - Intense dark blackberry, cherry flavour, subtle tannins	R608
Meinert - Devon Valley 2018 - Mix of red berry, cherry, spicy oak & hints of liquorice	R615
Clos Malverne Reserve - Devon Valley 2019 - Dark fruit flavour with underlying notes of mint & cassis	R608

Merlot

There are two main styles that Merlot producers favour; one is emphasised late harvesting- which contributes to more full-bodied wines with higher alcohol levels. These tend to also have intense plum-blackberry flavours. While the more traditional style involves earlier harvesting to maintain acidity & produce medium bodied wines with fresh fruit flavour & often vegetal notes. Therefore, Merlot is one of the more diverse cultivars. South African Merlots tend to be made in a "chocolatey glossy California style". The diversity of Merlot lends itself to a wide array of food pairing options, but like Cabernet Sauvignon they pair well with grilled & charred dishes as well as soft cheeses.

Robert Alexander - Stellenbosch 2020 - Mulberry & raspberry flavours	R336
Durbanville Hills Collectors Reserve - "The Lighthouse" 2022 - Freshly picked juicy dark cherries & ripe red fleshed plums	R384
Louisvale - Devon Valley 2021 - Rich ripe plum & mulberry flavours	R400
Dornier - Stellenbosch 2020 - Aromas of cherry, dark berries & hints of fynbos	R468
De Grendel - Durbanville 2021 - Full bodied, nose of berries, liquorice & mocha flavours	R512

Pinotage

Typically, Pinotage produces smoky, earthy flavoured wines with banana & tropical fruit notes. Pinotage was originally bred in Stellenbosch, South Africa as a cross between Pinot Noir & Cinsault. To this day most of the worlds Pinotage is grown in South Africa. A versatile grape which is made into easy-drinking wines as well as barrel aged full-bodied wine. Pinotage tends to blend well with spicy dishes as well as mushroom, aubergine & vegetarian dishes. Cheese & charcuterie are also good pairing options due to the slightly sweet notes often found in younger wines.

De Waal - Stellenbosch 2020 - Medium bodied, plum & cherry on the nose. Lingering finish	R445
Dornier - Stellenbosch 2021 - Black cherry & dark berry, hints of tobacco & nutmeg	R468
Middelvlei - Devon Valley 2022 - Sweet raspberry, mulberry & elegant oak spices	R480
Aaldering Estate - Devon Valley 2021 - Sense of cherry & sweet tobacco, red pepper & strawberry	R625
Kanonkop - Stellenbosch 2021 - Full bodied, sweet blackberry & oak aromas	R1495

Shiraz

Syrah is generally labelled as Shiraz in South Africa. Syrah is sometimes thought to be more like classic Northern Rhone red, while the South African Shiraz is thought to be more fruit driven, higher in alcohol & peppery rather than smoky. Shiraz tends to have spice notes of liquorice, anise & earthy leather with soft tannins. Shiraz pairs well with beef, pork & duck. Dishes with strong sauces that are not too sweet & hard cheeses.

Louisvale – Devon Valley 2020 - Stone Road range, deep ruby colour, glorious plum aroma	R198
Robert Alexander – Stellenbosch 2020 - Bold & spicy, dark blueberries with a silky generous mouthfeel	R336
The Hills – Devon Valley 2017 - Soft tannins, ripe plum & dark berry flavours	R352
Delaire Graaf – Stellenbosch 2021 - Juicy, ripe wine with hints of pepper & herbs	R483
Aaldering Estate – Devon Valley 2020 - Rich with plum, leather, dark cherries and white pepper	R625

Pinot Noir

Due to the thin skin of the Pinot Noir grapes the wine produced is mostly lighter in colour, medium bodied with low tannins. Younger wines tend to have red fruit aromas such as cherries, raspberries & strawberries while aged wines develop vegetal attributes which add to the complexity. Due to the cooler climate, most South African Pinot Noir are grown in the Elgin area. Duck, mushrooms & salmon dishes pair well with most Pinot Noir, as well as poultry dishes & dark chocolate desserts.

Haute Cabriere - Franschoek 2023 - Unwooded, abundance of red berries	R307
The Hills - Devon Valley 2019 - Floral cherry & stewed berry aromas, vanilla bean	R464

Malbec

Malbec is darker in colour than most red wines. Typical flavour profile includes juicy dark berries, tobacco, garlic & raisin with certain herbal aromas. Sweet-spicy dishes compliment the flavour profile of Malbec well. Malbec has a versatility which pairs well with game dishes as well as creamy vegetarian meals.

Dornier - Stellenbosch 2021 - Dark berries & plum with hints of violet	R468

White Wines

Chenin Blanc

A medium to full bodied wine, with high acidity & generally a dry / off - dry style. Typical flavours include quince & apples. Chenin Blanc is the most widely planted varietal in South Africa & even produces double the yield of that in France. It is thought that Chenin Blanc was also the first white wine grape grown in South Africa. The style is best described as off-dry, crisp wines. Chenin Blanc is also used for many local Brandies. Lighter wines pair well with salads, fish & pizza dishes.

Kleine Zalze – Stellenbosch 2023 - Tropical, ripe pineapple & peach with a long crisp finish	R232
The Hills – Devon Valley 2023 - Subtle peach, guava, & citrus notes. Good balance, slightly sweet & crisp acidity	R240
Rainbow Ends - Stellenbosch 2023 - Tropical fruit & peach blossom. A crisp fresh palate with white pears & yellow apples	R262
Mulderbosch – Stellenbosch 2022 - Papaya, melon, lime. Great acidity	R282

Chardonnay

A medium to light bodied wine with noticeable acidity & flavours of apple & pear. In warmer locations the flavour becomes more citrus, peach & melon, even tropical flavours. In South Africa, Chardonnay is the third most planted white wine grape. Due to a wide range of styles, Chardonnay has a diverse pairing ability. Generally, a good fit is poultry. When oaked the wine may overpower delicate seafood dishes & are better suited to spicy Asian flavours.

Hill & Dale – Stellenbosch 2023 - Unwooded, crisp clear & vibrant, zingy lemon zest, white asparagus	R198
De Meye – Stellenbosch 2023 - Unwooded, aromas of pears, pineapple, apricot. Balanced fruit & acidity	R272
Jordan – Stellenbosch 2023 - Unoaked, fresh lime-citrus & floral aromas with tropical fruit	R384
Aaldering Estate – Devon Valley 2022 - Oaked, lemon zest & peach blossom	R497

Sauvignon Blanc

Flavours, depending on the climate, range from grassy to sweet tropical to floral- such as elderflower. In warmer locations, the white wine tends to develop more tropical notes. Crisp & fresh are often terms associated with Sauvignon Blanc. Seafood dishes are the most favourable pairing as well as cheeses, particularly goat's cheese.

Meinert – Devon Valley 2020 - Delicate floral fruit with grassy notes	R375
Clos Malverne – Devon Valley 2023 - Tropical flavours of litchi, melon & gooseberry	R336

Riesling

Of German origin, this grape produces wine which displays flowery, perfumed aromas as well as high acidity.

Meinert – Devon Valley 2022 - A lovely floral, lime, spanspek, slightly flinty nose	R369
--	-------------

Pinot Grigio

Pinot gris, pinot grigio or Grauburgunder is a white wine grape variety of the species vitis vinifera. Thought to be a mutant clone of the pinot noir variety, it normally has a greyish-blue fruit, accounting for its name, but the grapes can have a brownish pink to black & even white appearance.

Terra del Capo – Franschhoek 2023 - Tangy, succulent notes of peach, nectarine & lemon zest	R253
--	-------------

White blends

Blended white wine often achieve a balance that single cultivars are not able to. Wines which feature both full & lighter styled grapes as well as dry & sweeter styles often pair well with a variety of dishes making it a good option as a table wine.

Brandy & Cognac

South African brandy, by law, requires that the spirit is made in a near identical fashion as Cognac. Double distillation in copper pot stills followed by aging in oak barrels, this ensures a very high-quality product. South African brandy is mainly made from chenin blanc & colombarid grapes from the warmer areas.

Gin

Gin derives its predominant flavour from juniper berries & often different botanicals are added. South African gin has grown rapidly in the last few years. In the Cape we have fynbos, which forms part of the Cape floral kingdom. This vegetation region is both the smallest & richest floral kingdom on earth, with a concentration of 1300 plant species per 10000m². Three times the amount of the second richest, The Amazon. That said, it is easy to see why gin made from Cape botanicals are so unique & coveted. Each of the local gins have an abundance of indigenous flora as ingredients.
